## INTERNSHIPS

### Software Development-UI/UX Trainee

*Arkashya Tech Solutions (Nov 2023 – Dec 2023)*

- Led front-end development initiatives, enhancing industrial experience and skill set within a rigorous two-month tenure.
- Conquered challenges in live projects, honing problem-solving abilities, perpetually enhancing proficiencies, and gaining invaluable experience troubleshooting and excelling under pressure.
- Seamlessly transformed PSP files and Figma UI designs into user-centric websites, ensuring precision and usability.
- Demonstrated exceptional efficiency by developing and cloning 7 tasks assigned by the organization. Notably, completed each of the last 3 tasks within a remarkable timeframe of just 3 days per task.

### Web Developer Trainee

*APJ Dream Tech (Jul 2023 – Oct 2023)*

- Acquired proficient hands-on experience with key web development technologies, such as HTML, CSS, Bootstrap, and JavaScript, through practical application and experimentation.
- Actively pursued skill refinement through immersive engagement in hobby projects and the meticulous development and cloning of websites, thereby sharpening my proficiency in web technology.
- Highlighted accomplished projects featured in my [Portfolio](#)
